

Membership Application

Join the WVTLA – Your membership is FREE!

“Experience Wimberley” is our motto. We want to make sure that the folks who come to our town enjoy the friendliest, most fun filled experience possible. Wimberley is known as *THE* Hill Country destination. By proudly representing our precious town together we can show them why.

We serve as a convenient central repository of information for events and activities in the Wimberley Valley area **at no charge to you**. Our wonderful and unique lodging facilities, shops, restaurants, artists, and organizations are well represented.

Cooperation is the key to a harmonious environment. You will have an opportunity to participate in informative round table gatherings where you can share ideas and get to know other members. Together we can learn how best to cross promote each other and serve our guests and visitors.

Our website and Facebook page have been created by people who know and love Wimberley. Members have an opportunity to contribute descriptions of their own businesses, special events and unique offerings. We’re here to promote our town and members in a way that will stand out and say WELCOME, FRIENDS!
